University of Scouting

Oct. 29th

9am-3pm

University of Scouting is the best and premier educational event for parents and Pack Leaders. This bi-annual event has something for every adult whether you are a parent of a Scout or the Leader with "many hats".

University of Scouting is for everyone!

Scouts have more fun when Parents (Akelas) complete their BSA Education!

All parents will complete 4 educational courses as part of Pack 300. The educational courses are short online trainings that can be completed in about an hour. Once you have completed a course, you do not have to take it again except for the "Youth Protection". Youth Protection is something that the Boy Scouts of America take very seriously and everyone is required to complete Youth Protection Training every 2 years.

As a trained Akela, Pack 300 will reimburse you for your uniform after you have completed all 4 required courses. If at any time an Akela wishes to take more training either through the University of Scouting (held twice a year) or other BSA-approved training the Pack will cover any costs or fees associated with that training (except Woodbade training).

Popcorn Fundraiser

▶ WHY SELL POPCORN?

Popcorn can help!

- 1 Pay for your whole year in Scouting.**
Packs and Troops average \$2,500 in income from popcorn.
- 2 Do just one fundraiser this year!**
Popcorn can provide the money you need, so you'll be doing more Scouting and less fundraising.
- 3 Provide money to your Council.**
The Council gets a share of popcorn profits, too, helping pay fees, maintain facilities, and buy camp equipment.
- 4 Popcorn provides!**
 - Camp, canoes, cots, and computers
 - Boating, BB-guns, and biking
 - Rafting, rappelling, and rock climbing
 - Sailing, swimming, shooting, and spelunking
 - Fishing, first aid, and friendships
 - Archery, astronomy, and aquatics

Sept. 23 - October 30

Every adult is an Akela

The ability of a Pack to function and create a fun and educational youth program is the sole responsibility of the parents. The viability of the Pack comes from having a committee of leaders to decide what and how the Pack will benefit the Scouts and families.
